

Figure #1: EMS Landing Page

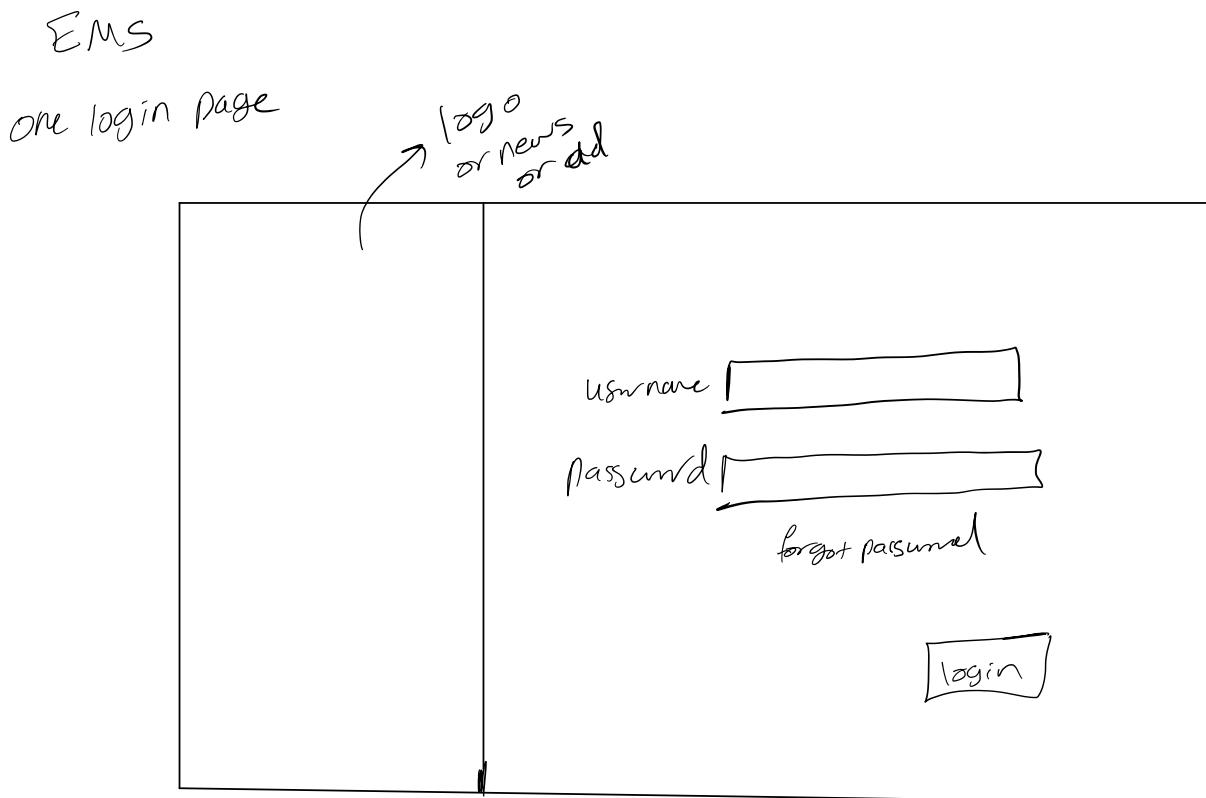

Figure #2: Manager View - Dashboard Page

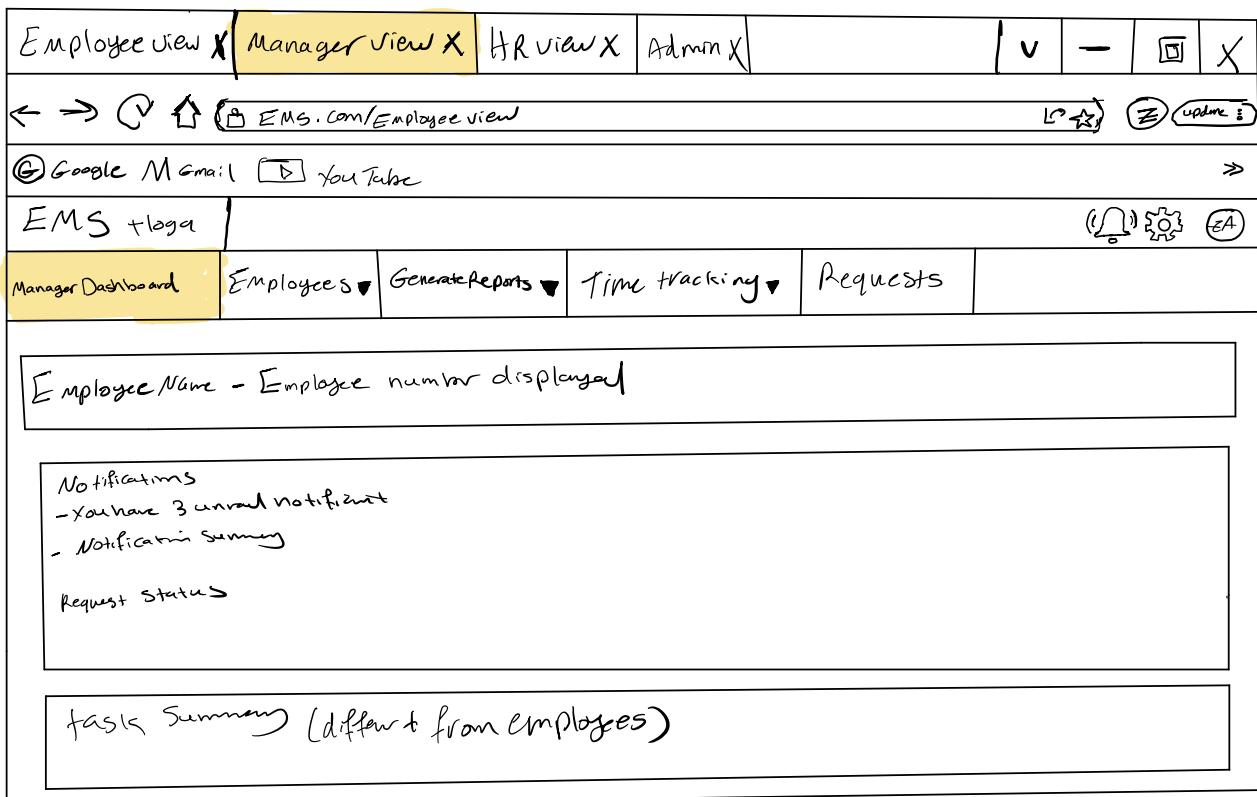

Figure #3: Manager View - Tabs with dropdown menus

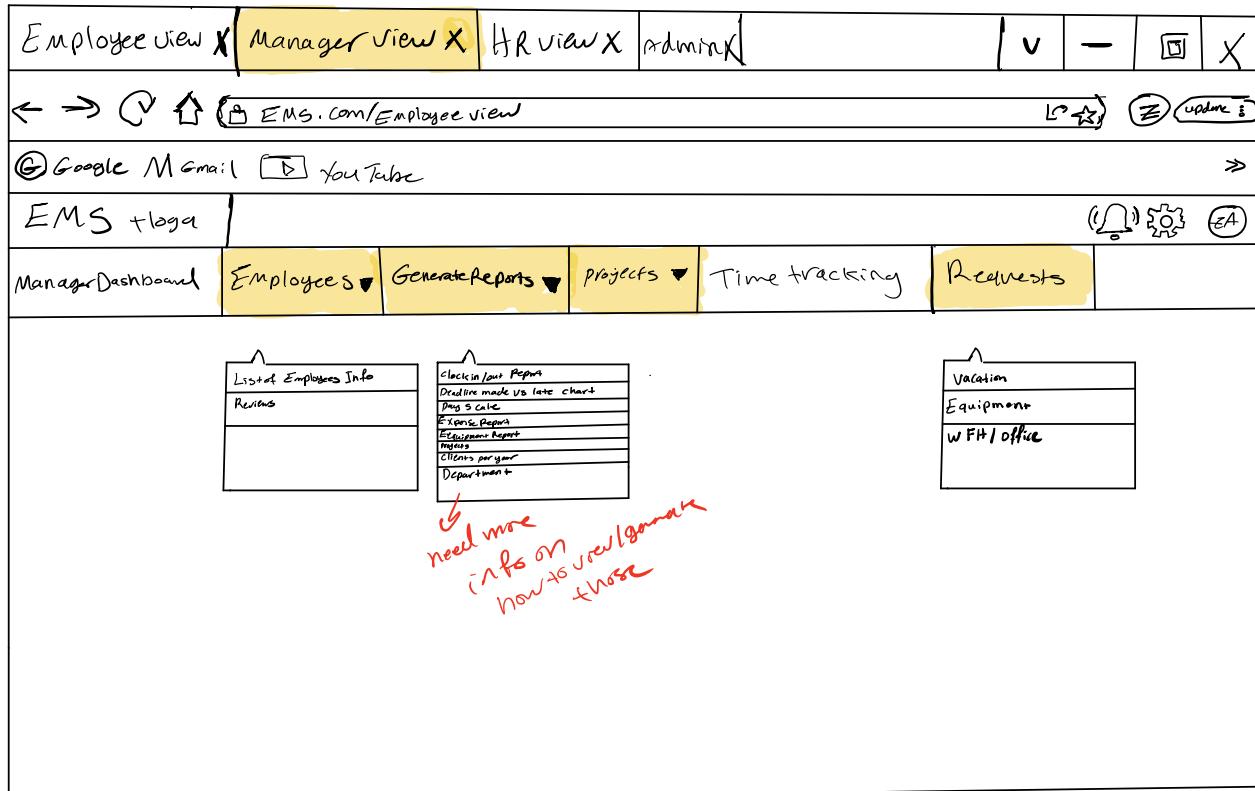

Figure #4: Manager view - Employees dropdown menu

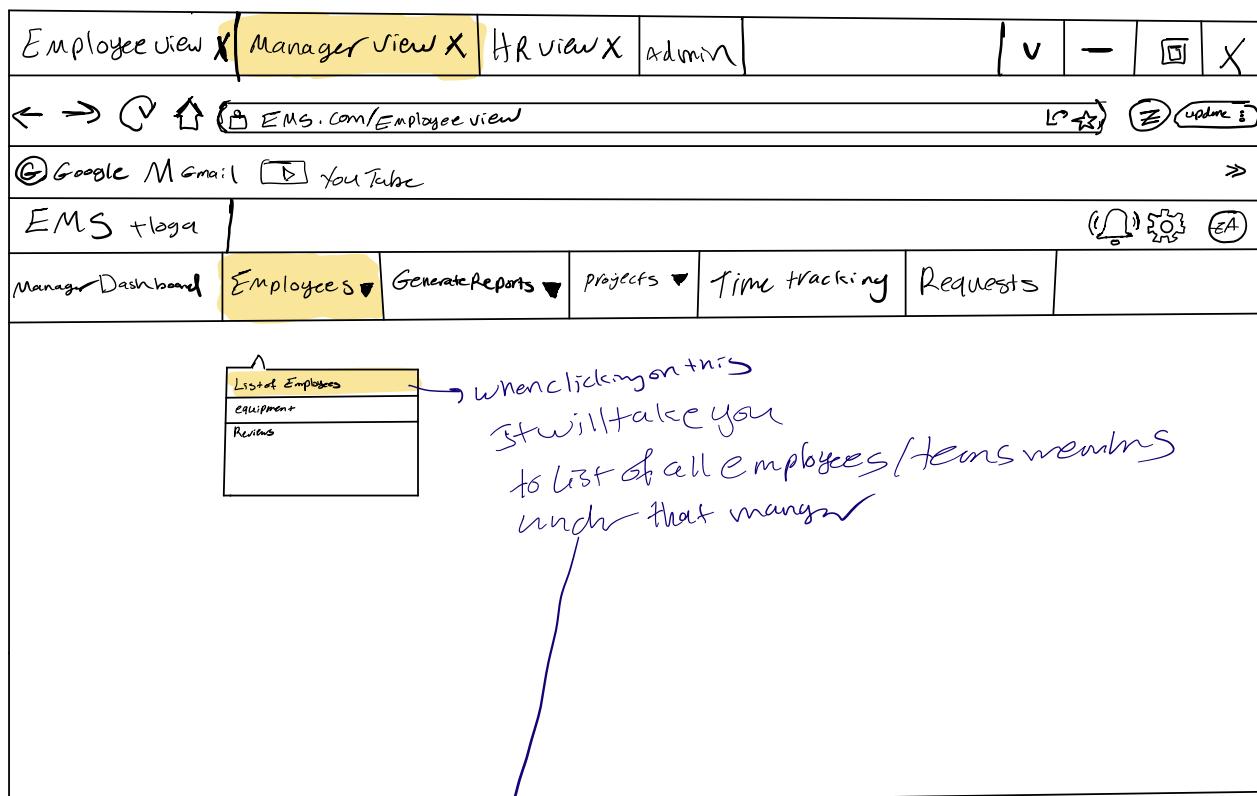

Figure #5 : Manager view - List of all employees page

The screenshot shows a web browser interface for an EMS system. The top navigation bar includes tabs for Employee view, Manager view (highlighted in yellow), HR view, Admin, and other links. Below the navigation is a toolbar with icons for back, forward, search, and refresh. The main menu includes Google Mail, YouTube, and system settings. The main content area is titled 'Manager Dashboard' and features a 'Employees' tab (highlighted in yellow). Other tabs include Generate Reports, Projects, Time Tracking, and Requests.

Below the dashboard, a breadcrumb path shows 'Dashboard > Employees > List of Employees'. A search bar labeled 'Search Employees' is present. The main table lists employees with columns for ID, Name, Department, Email, and Actions. An entry for 'Jane Doe' is shown in the 'Actions' column. A callout bubble with a blue border and a yellow header 'View employee' points to this row. A note in blue text says 'If you click on actions' with an arrow pointing to the 'Actions' column. Another callout bubble with a blue border and a yellow header 'Dropdown menu' points to the 'Actions' column. A note in blue text says 'dropdown menu' with an arrow pointing to the same area.

Figure #6 : Manager view - Employee details page

The screenshot shows the 'Employee details' page for 'Jane Doe'. The top navigation and menu are identical to Figure #5. The main content area shows a form for 'Jane Doe' with fields for Name, Email, ID#, Date of birth, Address, Phone number, Start Date, Department, View Schedule, Notes, Biweekly Salary, Time card, and Yearly feedback. A red callout bubble with a blue border and a yellow header 'Link to a new page' points to the 'Notes' field. A note in blue text says 'where you can add notes.' with an arrow pointing to the 'Notes' field. Another red callout bubble with a blue border and a yellow header 'Clockin/out info' points to the 'Time card' field.

When you click on one specific project

The screenshot shows a web-based application interface for 'Manager view'. At the top, there are tabs: 'Employee view X' (disabled), 'Manager view X' (highlighted in yellow), 'HR view X' (disabled), and 'admin X' (disabled). Below the tabs is a navigation bar with icons for back, forward, home, and search, along with a 'Logout' button.

The main header includes links to 'EMS.com/Employee view', 'Google Mail', 'YouTube', and a user profile icon. Below the header is a 'Manager Dashboard' menu with options: 'Employees', 'GenerateReports', 'projects' (highlighted in yellow), 'Timetracking', and 'Requests'.

A breadcrumb trail 'Dashboard > projects' leads to a table titled 'List of projects'. The table has four columns: 'Tasks', 'assigned employees', 'Status', and 'Deadlines'. There are no entries in the table.

This screenshot is identical to the one above, showing the 'Manager view' interface. The 'projects' tab is highlighted in yellow. A large handwritten note 'Same thing as employee Requests.' is written across the bottom left of the screen.

Figure #11: Employee View - Salary Information Tab

This diagram shows a computer window titled "Employee View". The top menu bar includes standard icons for minimize, maximize, and close. Below the title bar is a toolbar with left and right arrows, a logo, and three circular icons. The main menu bar contains tabs: "Employee Dashboard", "Project Tab", "Time Cards", "Employee Request", and "Salary Info", with "Salary Info" highlighted in yellow. The main content area has input fields for "Period" and "Date", and a "Go" button. Below this is a large text input field labeled "PDF Pay Stub" on the left and "Date" on the right, containing five empty lines for input.

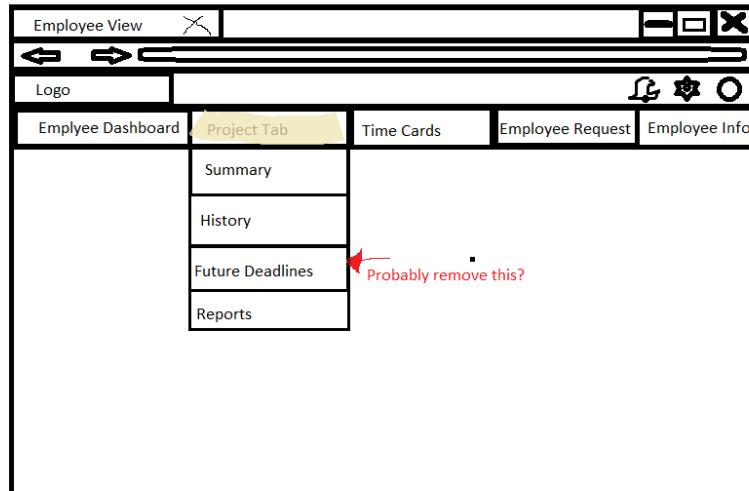

Figure #12: Employee View Employee info tab - T4 form

This diagram shows the same "Employee View" window as Figure #11, but with the "Employee Info" tab selected. The main content area now displays a form titled "T4" on the left and "Date" on the right, consisting of five empty lines for input.

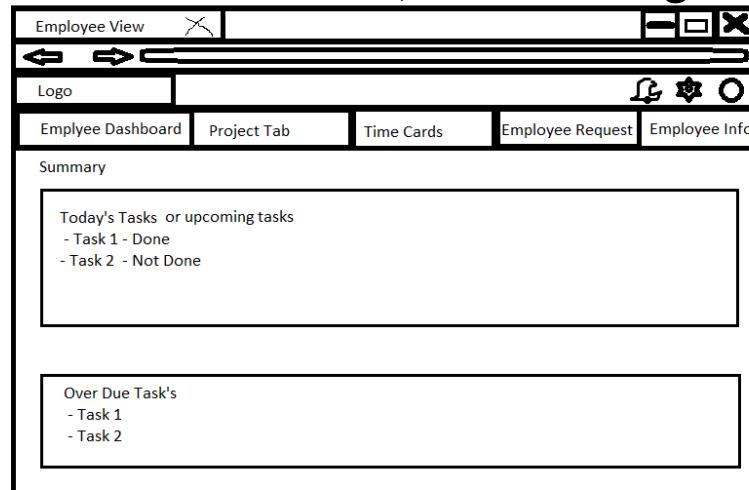

Figure #13: Employee View - Employee info tab - Forms Page

This diagram shows the "Employee View" window again, with the "Employee Info" tab selected. The main content area is divided into two sections: a header section labeled "Contract Details/Forms" and a larger body section labeled "List of forms - Links or PDF", which contains a blank white area.

Figure#17: Employee View - Employee Request tab

Figure#18: Employee View - Employee Request - Vacation form

A wireframe diagram of the same "Employee View" window as Figure #17, but with the "Employee Request" tab selected. The main content area now displays a "Vacation" form. At the top of the form is a section labeled "Vacation". Below this is a table with five columns: "Start Date", "End Date", "No. of Hours", "Type of Leave", and "Status". The table has one row with empty cells. At the bottom of the form is a button labeled "Request Vacation".

Start Date	End Date	No. of Hours	Type of Leave	Status

Figure #19: Employee View - Equipment form

The screenshot shows a window titled "Employee View". The top navigation bar includes tabs for "Employee Dashboard", "Project Tab", "Time Cards", "Employee Request" (which is highlighted in yellow), and "Employee Info". Below the navigation is a section titled "Equipment" containing a table with three columns: "Name", "Date Requested", and "Status". Underneath this is a section titled "Type of equipment" with two dropdown menus labeled "Version" and "Type of equipment". At the bottom is a "Submit" button.

Figure #20: Employee Requests - Work from home form

The screenshot shows a window titled "Employee View". The top navigation bar includes tabs for "Employee Dashboard", "Project Tab", "Time Cards", "Employee Request" (highlighted in yellow), and "Employee Info". Below the navigation is a section titled "Work from office" containing a table with two columns: "Date Requested" and "Status". Underneath this is a section titled "Choose Cubicle" with a dropdown menu labeled "Choose Cubicle" and "Choose Manager". At the bottom is a "Submit" button.

Figure #218 HR view - Dashboard page

The diagram shows a wireframe of a dashboard page. At the top, there is a header bar with several tabs: Employee view X, Manager view X, HR view X (which is highlighted in yellow), and Admin X. To the right of the tabs are icons for refresh, minimize, maximize, and close. Below the header is a navigation bar with links: ← →, ⌂, ↗, EMS.com/Employee.view, Google Mail, YouTube, and a search bar. To the right of the search bar are icons for user profile, update, and help. The main content area has a title "Sorting filter by name, date , equipment name". Below this is a table with four columns: Name, Equipment Name, Date Received, and Returned. The table currently contains one empty row.

Name	Equipment Name	Date Received	Returned

figure#23: HR view - Complaints page

The screenshot shows a web-based application interface for HR management. At the top, there is a navigation bar with several tabs: Employee view (with a red X), Manager view (with a red X), HR view (highlighted in yellow), Admin (with a red X), and a few others. To the right of the tabs are icons for a magnifying glass, a minus sign, a square, and an X. Below the navigation bar is a toolbar with links to EMS.com/Employee.view, Google Mail, YouTube, and other system icons like a gear and a bell. The main menu includes links for HR Dashboard, Employees, Generate Reports, Projects, Time Tracking, Requests, and Complaints (highlighted in yellow). A sub-section titled 'Issues' contains a table with four columns: Date, Issue, By, and Status. The table has four empty rows.

Date	Issue	By	Status
